JUNIORS 73!!

We had great times being Juniors from registration to "Peck's Bad Boy" and getting our own class rings. We may have complained about having to sell magazines, but it was worth it to have the Jr.-Sr. Banquet. Maybe we got pushed around a little, but move over Seniors, because — "WE'RE THE GREATEST NOTHIN' MORE — WE'RE THE CLASS OF 74!!!"

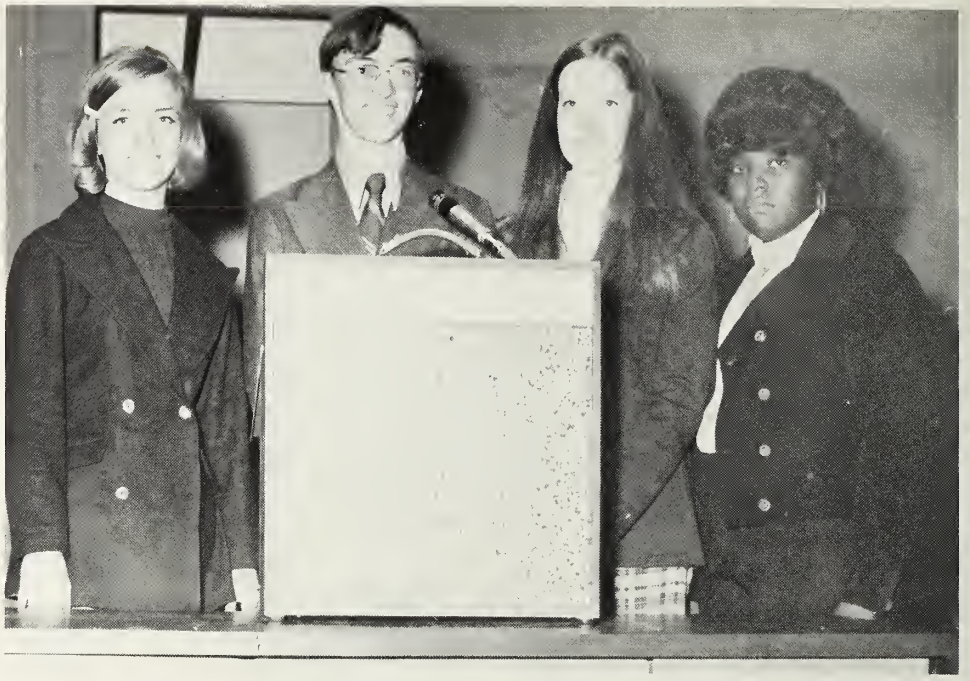
SELLING CUSHIONS

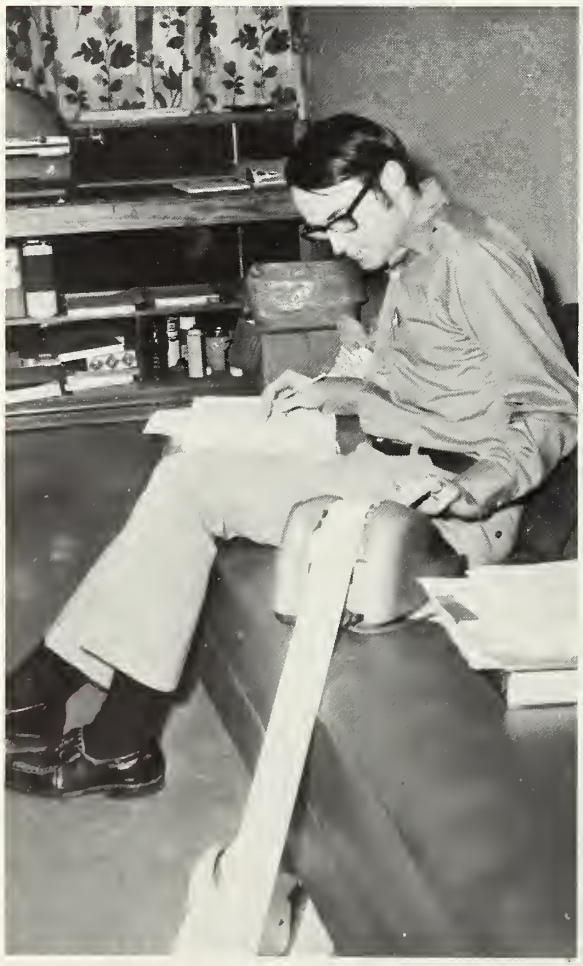
And so ends another school year, twelve long, hard years for the Seniors — but something to be proud of. As Juniors, we received our class rings. Our mighty football team had a most successful year — UNDEFEATED!! As Seniors we ordered invitations, measured for caps and gowns, sold cushions, and had a most exciting class play. 1973 — a year of memories and fun, a year we'll never forget . . . because . . .

WE'RE THE BEST AS YOU CAN SEE!!!

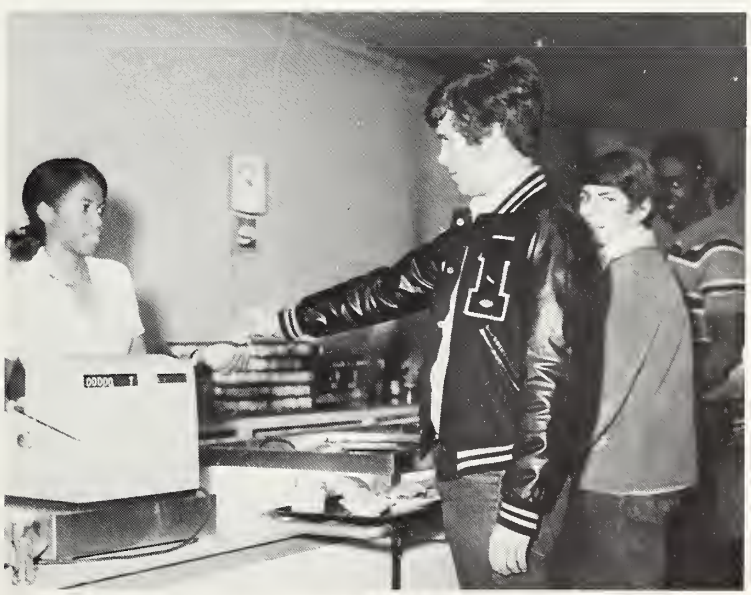
WE'RE THE CLASS OF 73!!!

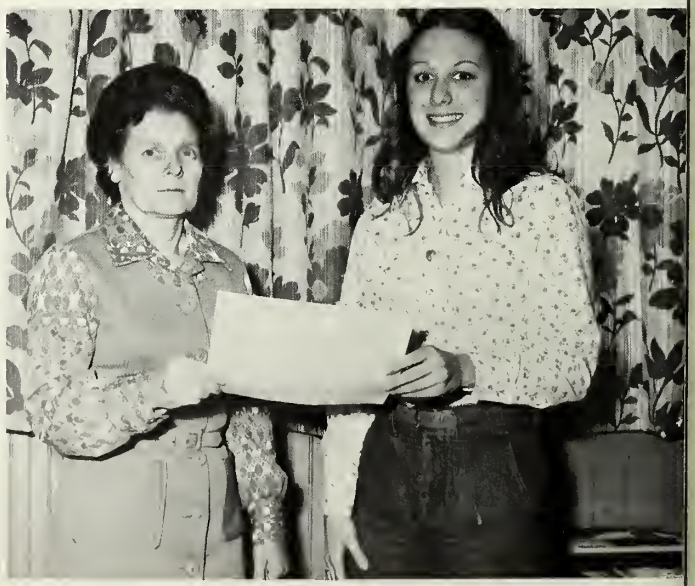
The Government/Democracy Speaking Contest . . . teachers using every spare minute to get the grades in . . . idle books . . . being alert in class only when it's time for the buzzer . . . playing sock-it-to-me . . . finding out Who's Who on campus . . . trying to like the lunches . . . keeping busy in workshop . . . Andy proving to be an "A-1" essay writer and speaker . . .





YOU
UP YOU
CLEAN UP





. . . The Seniors' presentation of *Seventeenth Summer* . . . playing cards in the student center . . . having a Star Student and Star Teacher for the first time . . . having beautiful boys, as well as beautiful girls . . . are all highlights of our school year experiences. As you walk over the campus of IAHS, you see the beauty and the scars produced by time. Each day spent here has brought another challenge, another trial, or another attainment. But each busy day has brought you closer to the end of your time at IAHS. To those leaving, may the Mirror serve to remind you of this wonderful year. To those remaining, may it encourage you to attain greater heights in 1973-74.
